Teacher denied in bid for factual innocence

Judge's ruling follows acquittal on charges

By Carroll Lachnit
The Register

A Santa Ana schoolteacher who was acquitted in June of molesting four male students failed Thursday to get the judge in his case to declare him factually innocent.

Orange County Superior Court Judge Dennis Choate said he could not "in good conscience" make such a finding for Paul Hernandez, said Deputy District Attorney Ariadne Symons, the prosecutor in the case.

Choate agreed with the prosecution that to rule Hernandez factually innocent, he would have to find that the police had no reasonable cause to believe that he had committed the crimes when they arrested him, said Hernandez's attorney, Paul Wallin.

"(Choate) thought the cops did have a reasonable suspicion," Wallin said.

Hernandez, 32, was found innocent of 16 felony and misdemeanor charges after a six-week jury trial.

His teaching credential was suspended when he was arrested and restored when he was acquitted, Wallin said. The Santa Ana Unified School District reinstated Hernandez and he is teaching now, Wallin

said.

Hernandez had been charged with fondling one of his fifth-grade students on five occasions in a sauna at the Santa Ana YMCA and touching the genitals of other nude boys as he lifted them onto a scale there.

Jurors deliberated for less than two hours and later said they were troubled by inconsistencies in the testimony of the boy Hernandez allegedly fondled in the sauna.

When a finding of factual innocence is made, the defendant's police record is sealed for three years, then destroyed. Unlike a criminal trial, the defendant must prove he is innocent in such hearings, attorneys said. In a trial, the prosecution must prove the defendant is guilty.

Unlike a trial, however, attorneys can introduce hearsay and testimony that was barred from the trial.

Hearings for a finding of factual innocence are unusual, attorneys said.

In June, a Newport Beach teacher acquitted of fondling female students won a finding of factual innocence from Harbor Municipal Court Judge Russell Bostrom.

Bostrom told teacher Frank Tozzolina Jr. that he was sorry for not dismissing all the charges during the trial, as Tozzolina's attorney had asked.

Dear Mr. Hernandez:

I received your September 5th letter asking for reinstatement in the Boy Scouts of America.

On the basis of the court decision on September 21, we do not feel we should reinstate you in the Boy Scouts of America. Because the court did not prove that there is not reasonable suspicion we can not reinstate you.

If you still desire to make an appeal let me know and we will meet with you.

Dear Scott:

I really appreciated the Confidential Record Sheet concerning the above named individual. This is most helpful to us in identifying him at a later time.

We would like more information concerning the molestation of two eleven year old Scouts. We need statements from the parents or Scouts. This or a statement from the leader of the troop would be most helpful to us in strengthening our file for the future. If Mr. Harris tries to register with us ten years from now, probably, you and I will not be on our present jobs and it will be most difficult to substantiate this if we did not have more information.

Thanks for your help in building this file to completion.

I do not like to keep bothering you, but I really need to know the outcome of the legal action related to the above name individual. Since this happened several months ago, we wondered if the legal action has been completed and if he has been convicted or acquitted. We would also like the sentencing if this was imposed.

Dear Bob:

Thank you for the material which you recently sent concerning the above named individual. This is most helpful as we start a file which will lead to refusal of future registration attempts.

We would like a paper with Mr. Hernandez' signature, if you have this available. This aids in the identification of this individual anywhere in the country he might attempt registration.

We would also like to have the outcome of the legal action once this is completed. The verdict and any sentencing will strengthen our file, so that we may refuse registration more easily.

Let us know if we may be of any help to you. Thanks for your material which helped to protect the youth of America.

Teacher accused of molesting boys pleads innocent

By Donna Wares
The Register

At a hearing packed with family, friends and colleagues, a Santa Ana elementary school teacher pleaded innocent Wednesday to charges that he molested four boys during swimming trips to a YMCA.

Paul Hernandez, 32, was arrested Tuesday at the Santa Ana home he shares with his parents. He has been charged with five felony and 12 misdemeanor molestation counts.

Hernandez allegedly molested the 10- and 11-year-old boys between December and February, according to a complaint filed in Central Orange County Municipal Court.

The boys are in Hernandez's class or members of a Boy Scout troop he leads, county Deputy District Attorney Bob Gannon said. He would not discuss the specifics of the case.

Hernandez, a fifth-grade teacher, has worked at Fremont Elementary School in Santa Ana for 10 years. He was suspended after his arrest.

The teacher participates in bilingual programs for Spanish-speaking students, volunteers as a Boy Scout leader and is an active member of St. Joseph's Catholic Church in Santa Ana, said his attorney, Paul Wallin of Tustin.

Wallin arrived in court Wednesday with more than 20 supporters and a stack of letters praising the teacher.

"Paul is an excellent teacher and a good friend," wrote Richard Baughman, a Santa Ana resident. "We can always count on Paul to be at his best on all occasions."

"Mr Hernandez always demonstrated his dependability and dedication in everything he does," wrote Marie Calvillo, an instruc-

tional aide at Fremont, who said Hernandez taught two of her sons.

Wallin asked Judge Gary P. Ryan to release the teacher on his own recognizance.

But Gannon asked that bail be set at \$25,000. He said he was "particularly concerned about the threat to the community."

"His free, spare-time activities all revolve around minor children," Gannon told the judge.

Ryan set Hernandez's bail at \$10,000 and scheduled a preliminary hearing July 25. Wallin said after the hearing that Ryan hoped to bail out about midnight Wednesday.

Santa Ana police spokeswoman Maureen Thomas said police began investigating the case after an adult, whom she described as an "uninvolved third party" called police to report Hernandez.

Gannon declined to discuss the informant. But Wallin said the complainant was a bystander who had seen the teacher sitting on a bench with a boy at the YMCA in Santa Ana. The observer thought something was wrong and called the police, he said.

Wallin said his client often took his students and other boys to the YMCA to go swimming. Hernandez allegedly molested one of the boys in the hot tub there, he said.

School officials declined to comment Wednesday on the allegations and referred inquiries to the Santa Ana Unified School District.

Register staff Writer David Greenwald contributed to this report.
